Subject: Municipal Significance status for Spottedawg Productions Concerts
Location: Stratford Rotary Complex
Dates: October 19th and November 2nd, 2024

Dear City of Stratford Council,

Spottedawg Productions Inc., has brought some of Canada's most significant and popular musical artists (James Barker Band and Jade Eagleson) to perform concerts in Stratford, Ontario over the past year. Both of these shows were wildly successful and enjoyed by many. We are dedicated to continuing our efforts with more shows in Stratford moving forward.

On Saturday, October 19th legendary Canadian Rock band **Big Wreck** and on Saturday November 2nd, 7-time CCMA Award winners, **Washboard Union** are coming to Stratford to perform at the Stratford Rotary Complex. We have additional artists set to perform on each show, including bands local to the Stratford area. Both of these shows will be very popular in this community.

Please consider this letter as our official request for obtaining Municipal Significance status for these two upcoming events from the City of Stratford Council. The reason we are looking to obtain this status is so that Spottedawg Productions Inc., can apply for a Special Occasions Permit (SOP), and serve alcohol at these two events, using our own staff and volunteers. AGCO has informed us that we are required to have council confirm and declare our events as being of Municipal Significance in order to accomplish this goal..

I thank you in advance for your consideration of my request. If you have any questions or concerns please feel free to contact me at the number below.

Warmest Regards,

Ralph Spoltore
