

Ad-Hoc Grand Trunk Renewal

Committee

| | |
|-----------------------|---|
| Working Group: | Infrastructure & Environmental |
| Report Date: | September 7, 2024 |

Requested Committee Direction:
The report is for information only.

Discussion Points:

The committee has been formed with the following members:

- Members of the Ad-Hoc Committee: Nic Flanagan, Barb Cottle
- Construction Manager: Iain Reynolds of Feltz Design Build
- Engineering Project Manager: Brent Powers of Artas Engineering
- Architect: Jeffery Atchison of SRM Architects

Overview of Previous Month:

Stephen Cooper met with City of Stratford staff (Engineering and Planning) on Aug 28 to better understand environmental work that has been completed and status of infrastructure (roadway) design.

Stephen Cooper reached out to Mike Ennis (CEO of YMCA of Three Rivers) to set up a meeting to discuss environmental requirements of the YMCA.
