Title: Appointments to the Communities in Bloom Advisory Committee

Objective: To consider appointments to the Communities in Bloom Advisory Committee.

Background: The mandate of the Communities in Bloom (CIB) Advisory Committee is to:

1. foster civic pride, environmental protection and beautification, through community participation;
2. improve the tidiness, appearance and visual appeal of neighbourhoods, parks, open spaces and streets;
3. focus on environmental awareness and preservation of heritage and culture;
4. co-ordinate a host program as required; and
5. be financially sustainable.

The CIB Committee is made up of six members, one councillor and five citizens. There are two (2) citizen positions to be filled.

Analysis: City Council, when making appointments and reappointments to City advisory and ad-hoc committees, boards, outside boards and agencies, local boards and joint boards, may take into consideration at their sole discretion, the following factors, including but not limited to:

- Experience and/or skill set of an applicant or member that may help to guide the work of the committee or board;
- Awareness of the community and local issues on the agenda by an applicant or member;

- Degree of project knowledge a member has acquired while on the committee or board, where retention of such project knowledge would be of assistance in the completion of the project;
- Number of applications received for the vacant position(s) on a committee or board;
- Years of service on the committee or board [for citizens applying for reappointment to the same committee or board];
- Attendance at committee or board meetings [for citizens applying for reappointment to the same committee or board].

The following applications were received for the available positions:

- Barb Hacking – first appointed in 2011
- Yvonne O’Reilly
- Cindy Carlson – first appointed in 2019
- Linda Wakenhut

For the applications received, all were complete and meet the requirements. Policy C.3.1, Council Appointed Advisory Committees, states that, “No one may serve on an advisory committee for more than 3 consecutive two-year terms, plus if applicable, one preceding partial term in those cases where committee members are initially appointed mid-term to fill a vacancy.” Should Council wish to appoint Barb Hacking and Cindy Carlson to the CIB Committee that an exemption to the term limit in Policy C.3.1 be granted.

Consideration could be given to appointing three citizen representatives to bring the total composition to 7 members. Staff do not recommend reducing the total number of members at this time as the Committee will be hosting the CIB National Symposium in 2025 which will require additional resources.

All citizens appointed to the City’s advisory committees and local boards (as applicable) will be required to complete training to be coordinated through the City. Training will focus on accessibility, governance, and the Code of Conduct.

Financial Implications:

Financial impact to current year operating budget:

The costs for recruitment of citizen representatives to advisory committees and local boards are included in the annual budget.

Financial impact on future year operating budget:

The costs for recruitment of citizen representatives to advisory committees and local boards are included in the annual budget.

Alignment with Strategic Priorities:

Not applicable: This report does not align with one of the Strategic Priorities as the purpose is to consider appointments to the Communities in Bloom Advisory Committee.

Alignment with One Planet Principles:

Health and Happiness

Encouraging active, social, meaningful lives to promote good health and wellbeing.

Land and Nature

Protecting and restoring land for the benefit of people and wildlife.

Staff Recommendation: THAT direction be given on the appointment of two (2) citizen representatives to the Communities in Bloom Advisory Committee to November 14, 2026, or until a successor is appointed by Council.
