Title: Accessibility Advisory Committee Appointments

Objective: To consider appointments to the Accessibility Advisory Committee.

Background: The Accessibility for Ontarians with Disabilities Act, 2005 (AODA) sets out the process for developing, implementing and enforcing accessibility standards. The AODA requires all municipalities of 10,000 or more residents to have an accessibility advisory committee, with the majority of members being persons with disabilities.

The three main activities of an accessibility advisory committee are to:

1. Advise municipal council about:
 - the requirements and implementation of accessibility standards;
 - the preparation of accessibility reports;
 - other matters for which the council may seek its advice.
2. Review site plans and drawings described in section 41 of the *Planning Act* that the committee selects.
3. Perform all other functions that are specified in the regulations.

The AAC is to consist of nine (9) members appointed by Stratford City Council as follows:

- One (1) City Councillor
- One (1) agency representative
- Nine (7) citizens-at-large

At this time, the following positions are available for appointment:

- Five (5) Citizen positions

Analysis: City Council, when making appointments and reappointments to City advisory and ad-hoc committees, boards, outside boards and agencies, local boards and joint boards, may take into consideration at their sole discretion, the following factors, including but not limited to:

- Experience and/or skill set of an applicant or member that may help to guide the work of the committee or board;
- Awareness of the community and local issues on the agenda by an applicant or member;
- Degree of project knowledge a member has acquired while on the committee or board, where retention of such project knowledge would be of assistance in the completion of the project;
- Number of applications received for the vacant position(s) on a committee or board;
- Years of service on the committee or board [for citizens applying for reappointment to the same committee or board];
- Attendance at committee or board meetings [for citizens applying for reappointment to the same committee or board].

Appointments

Following recruitment for the available positions, the City received applications from the following persons:

- Jenny Weber – citizen-at-large
- Diane Sims – citizen-at-large – first appointed in 2018
- Jamie Pritchard - citizen-at-large – first appointed in 2023
- Roger Koert - citizen-at-large – first appointed in 2021
- Brittany McCabe - citizen-at-large

For the applications received, all were complete. Policy C.3.1, Council Appointed Advisory Committees, states that, “No one may serve on an advisory committee for more than 3 consecutive two-year terms, plus if applicable, one preceding partial term in those cases where committee members are initially appointed mid-term to fill a vacancy.” Should Council wish to appoint Diane Sims to the Accessibility Advisory Committee, an exemption to the term limit in Policy C.3.1 should also be considered.

All citizens appointed to the City’s advisory committees and local boards (as applicable) will be required to complete training to be coordinated through the City. Training will focus on accessibility, governance, and the Code of Conduct.

Financial Implications:

Financial impact to current year operating budget:

The costs for recruitment of citizen representatives to advisory committees and local boards is included in the annual budget.

Financial impact on future year operating budget:
