

## MANAGEMENT REPORT

**Date:** November 27, 2024  
**To:** Infrastructure, Transportation and Safety Sub-committee  
**From:** Emily Skelding, Supervisor of Waste Operations  
**Report Number:** ITS24-022  
**Attachments:** None

---

**Title:** Stratford Landfill Public Input Invite November 2024

**Objective:** To consider comments received regarding the operation of the Landfill site.

**Background:** As a requirement of Environmental Compliance Approval (ECA) Number A150101 for the Stratford Landfill Site, the public must be invited to make comments, either verbal or written, about the operation of the Landfill Site on a semi-annual basis.

**Analysis:** Notice was placed in the Beacon Herald Town Crier and Marketplace from October 12 through November 5, 2024, inclusive, inviting citizens to provide comments on the operation of the landfill site or request to appear as a delegation at the November 27, 2024, Infrastructure, Transportation and Safety Sub-committee meeting.

At the time of the writing this report, there have been no comments or delegation requests received from the public.

Any change in service levels at the Stratford Landfill site would have a financial impact to be determined by staff and brought to a future meeting for consideration.

### **Financial Implications:**

#### **Financial impact to current year operating budget:**

There are no implications because of this report.

#### **Financial impact on future year operating budget:**

There are no implications anticipated in the future year budget.

**Alignment with Strategic Priorities:**

**Developing our Resources**

Optimizing Stratford’s physical assets and digital resources. Planning a sustainable future for Stratford’s resources and environment.

**Alignment with One Planet Principles:**

**Culture and Community**

Nurturing local identity and heritage, empowering communities, and promoting a culture of sustainable living.

**Zero Waste**

Reducing consumption, reusing, and recycling to achieve zero waste and zero pollution.

**Zero Carbon Energy**

Making buildings and manufacturing energy efficient and supplying all energy with renewables.

**Staff Recommendation: THAT the report titled, “Stratford Landfill Public Input November 2024” (ITS24-022), be received for information.**
